

Testost., Bioavailable w/SHBG

Test	Current Result and Flag	Previous Result and Date	Units	Reference Interval
Testosterone, Total ⁰²	805		ng/dL	
	<p>This test was developed and its performance characteristics determined by LabCorp. It has not been cleared or approved by the Food and Drug Administration.</p> <p>Reference Range: Adult Males >18 years 264 - 916</p> <p>This LabCorp LC/MS-MS method is currently certified by the CDC Hormone Standardization Program (HoST). Adult male reference interval is based on a population of healthy nonobese males (BMI <30) between 19 and 39 years old. Travison, et.al. JCEM 2017,102;1161-1173 PMID: 28324103.</p>			
Bioavailable Testosterone, S ⁰²	231		ng/dL	
	<p>Reference Range: Males (50 - 69y): 95 - 285</p>			
Bioavailable Testosterone, % ⁰²	28.7		%	
Sex Hormone Binding Globulin ⁰²	67.0		nmol/L	
	<p>Reference Range: >49y: 19.3 - 76.4</p>
